VIAVI Solutions offers a wide variety of fiber inspection tips and adapters to help you Inspect Before You Connect™ and work clean. Browse through this comprehensive guide of inspection tips and adapters, then order what you need via www.viavisolutions.com or by calling 1-844-Go VIAVI (+1-844-468-4284).

FMAG Adapters

FMAG Series adapters are designed for patch cord inspection. They connect to the FVAm Bench-top Microscope. FMAG Series adapters utilize a magnetic connection so operators can quickly switch adapter types and ensure precision alignment. Each FMAG series adapter has the capability to inspect both PC and APC connectors by simply pressing the green (APC) or Blue (PC) color coded indicator.
