

Fiber Inspection Tips and Adapters

VIAVI Solutions offers a wide variety of fiber inspection tips and adapters to help you Inspect Before You Connect™ and work clean. Browse through this comprehensive guide of inspection tips and adapters, then order what you need via www.viavisolutions.com or by calling 1-844-Go VIAVI (+1-844-468-4284).

FMAX Adapters

FMAX adapters are the next-generation female-threaded adapters. Like the FMAE Series, the FMAX Series connects to the Patch Cord Microscope on the SmartClass Fiber Series, as well as the FVAi Bench-top Microscope. They can also be connected to any VIAVI probe microscope by using the FBPT-UFMAE, together with an FBPP-BAP1 adapter. FMAX Series adapters are all female-threaded.

Catalog Part Number	Segment	Product Image	Description	Connector Image
